I. TUITION

Tuition for Grades 1-12 for 2009-10 is \$4050.00. Contracts must be accompanied by a first payment (see payment options). Those received by the March 10th deadline will receive priority in sections that are limited.

II. PAYMENT OPTIONS

Option A: One payment of \$420.00 and eleven equal payments of \$330.00, the first due with the contract on March 10th and monthly thereafter. Payment is due by the tenth of each month, and any payment made after the tenth of the month will result in a late charge of \$10.00 per month.

Option B: A deposit of \$850.00 with the contract, **\$1600.00** payable by August 1st, and **\$1600.00** payable by December 1st. Payments made ten days after the due date will result in a late charge of \$30.00.

Option C: A deposit of \$500.00 with the contract; tuition and building fund balance paid in full by August 10, 2009, will result in a **\$50.00** discount.

After February 15, 2010, there will be a 1% per month finance charge on the balance due on all contracts in addition to late charges.

III. BUILDING FUND

A Building Fund fee of \$700.00 is required for each new student entering the first through the tenth grade. Students entering the first grade from our Kindergarten will be credited with \$200.00 paid in the previous year, leaving a balance of \$500.00. For a new student entering the eleventh grade, the Building Fund fee will be \$450.00, and for a student entering the twelfth grade, the Building Fund fee will be \$225.00. No Building Fund fee is assessed on the fourth child in a family provided the fees were paid for the first three children. Building Fund fees may be paid in full with the contract (not later than the opening day of school) or with a promissory note for twelve (12) months at \$64.00 per month. The payment method must be indicated on the contract.

1. The third child in a family unit with three or more children enrolled will receive a \$700.00 scholarship.
